Bowling
Start: Sept 12
Location: Bowl America Clopper Rd Gaithersburg
Time: 11:45

Now that we're established in our new "bowling home", we've decided to make some changes to our program.

Starting this year, we are combining the Fall and Winter sessions. **We will start Saturday, September 12 and go straight through to the state games in early February.** As always, we will have a break for the Thanksgiving and Winter holidays. Anyone who wants to bowl should sign up now, even if you are interested in another fall or winter sport.

If you choose another sport as your 1st priority, and practice times don't conflict, you can still bowl as an alternate for that session. This means that if you want to bowl between September and February you need to complete the online or mail in sign up form now. No phone sign ups will be accepted. As always, registrations will be accepted on a first come basis, so act NOW because this popular program fills up quickly!
