P.A.S.A. Winter Season 2010

P.A.S.A. and Special Olympics Maryland – Montgomery combine forces to bring Adaptive Sports to children ages 6-15 with Disabilities and Special Needs!

The WINTER Basketball Program will focus on skill development and casual games.

The Program is open to children with disabilities and special needs (ages 6-15). You do not have to be a registered Special Olympic athlete in order to participate.

*** This season, through the P.A.S.A./Special Olympics Partnership, if we have enough players and coaches, registered Special Olympics junior athletes (ages 10-15) may choose to train on TEAM PASA during this PASA season. Players on TEAM PASA will also participate in a round robin of games to be played on Saturdays in Jan, Feb and March. Schedule of Round Robins TBA. You must be a registered SOMO athlete in order to train on TEAM PASA. You may call the SOMO hotline (301) 924-6965 Box #6 to register. Call Pam Yerg with questions. (301) 424-3083**

♥ Volunteers are the Heart of this program. We need volunteer "Buddies" to work with the participants and to play with them in Unified Basketball®. Unified Sport is a Special Olympics concept that teams disabled and non-disabled players together to build skills and friendships.

If you are interested in volunteering please complete the section below and mail to Larry Chloupek – P.C.C.
